Special Provisions and "What-if" Clauses

9. SPECIAL PROVISIONS

The following or attached special provisions and any addenda or written rules furnished to LESSEE at or before signing will become a part of this Lease Contract and will supersede any conflicting provisions of this printed Lease Contract form.

10. UNLAWFUL MOVE-OUT; RELETTING CHARGE

LESSEE will be liable for a re-letting fee of \$425.00 if LESSEE:

- (4) Are judicially evicted.

The re-letting charge is not a cancellation fee and does not release LESSEE from LESSEE's obligations under this Lease Contract.

Not a Release. The re-letting charge is not a cancellation fee or a buyout fee. It is a liquidated amount covering only part of LESSOR's damages; that is LESSOR's time, effort and expense in finding and processing a replacement. These damages are uncertain and difficult to ascertain – particularly those related to make ready, inconvenience, paperwork, advertising, showing apartment, overhead, marketing costs, etc. LESSEE agrees that the re-letting charge is a reasonable estimate of such damages and that the charge is due whether or not LESSOR's re-letting attempts succeed. The re-letting charge does not release LESSEE from continued liability for: future or past-due rent; charges for cleaning, repairing, unreturned keys or other sums due.

11. DAMAGES AND REIMBURSEMENT

LESSEE must promptly pay or reimburse LESSOR for loss, damage, consequential damages, government fines or charges, or cost of repairs or service in the apartment community due to: a violation of the Lease Contract or rules; improper use; negligence; other conduct by LESSEE or LESSEE's invitees, guests or occupants; or any other cause not due to LESSOR's negligence or fault. LESSEE will indemnify and hold LESSOR harmless from all liability arising from the conduct of LESSEE, LESSEE's invitees, guests, or occupants. Unless the damage or wastewater stoppage is due to LESSOR's negligence, LESSOR is not liable for--and LESSEE must pay for--repairs, replacements and damage to the following if occurring during the Lease Contract term: (1) damage to doors, windows or screens; (2) damage from windows or doors left open; (3) damage from wastewater stoppages caused by improper objects in lines serving your apartment. LESSOR may require payment at any time, including advance payment of repairs for which you are liable.

12. PROPERTY LEFT IN APARTMENT

- b. LESSOR may, but has no duty to, store property removed after judicial eviction, surrender or abandonment of the apartment by LESSEE.
- c. LESSOR may throw away or give to a charitable organization all items of personal property that are: (1) left in the apartment after surrender or abandonment; or (2) left outside more than 1 hour after writ of possession is executed, following judicial eviction.

- Don't give entry keys to anyone.

Duty to report – LESSEE must report any signs of bedbugs immediately and in writing. Do not wait. Even a few bedbugs can rapidly multiply to create major infestation. When an infestation is caught early, treatment is often much quicker and less disruptive.

LESSEE Cooperation – LESSEE and guest of LESSEE agree to cooperate with the LESSOR in all efforts and course of actions required to erase and control any pest/bedbug infestation. LESSEE's full cooperation shall include but is not limited to; immediately reporting any pest infestation including that of bedbugs to the LESSOR, and permitting any entry to complete any inspections, pre-treatment and treatment to eliminate any pests and or bedbugs. LESSEE understands that evacuating the leased premises during and after treatment for a specified time frame may be necessary. LESSEE will follow all directions and perform any critical actions to comply with all the post treatment requirements to keep the leased premises pest free and minimize any re-infestations.

If during the term of your tenancy bed bugs appear in the leased premises and a pest control professional determines that the bedbugs originated in your unit, LESSEE acknowledges and agrees that all necessary treatments for your apartment and other units that may be affected as a result, as well as any additional costs, expenses and losses will be at the LESSEE's expense.

Indemnification – Under no circumstances shall the LESSOR and or agents of the LESSOR be held responsible for any of the LESSEE's losses, damages or expenses including special, consequential or punitive arising out of a bed bug infestation, inspection or treatment. Additionally, LESSEE agrees to indemnify and hold harmless the LESSOR, its agents and employees from any actions, claims, losses, damages, and expenses, including, but not limited to attorney's fees that the LESSOR may incur as a result of a bedbug infestation, inspection or treatment. This indemnification shall not apply if such damages, costs, losses, or expenses are directly caused by the negligence of the LESSOR.

Failure to promptly report bedbugs, failure to comply with treatment instructions, or any other violations of any other provisions of this Addendum shall be a violation of the Residential lease agreement. Said violations and breach constitutes grounds for eviction, and/or termination of occupancy, and/or subjects LESSEE to all other damages, costs, legal fees and expenses as stated in your lease and/or this Addendum.
